

CHRISTOPHER ASHLEY SALON CANCELLATION POLICY

All new clients will be asked for a credit card to reserve an appointment. We require 24 hours notice to cancel or change an appointment. We carry an extensive cancellation list and need this notice to offer another client the time slot. Anything less and 50% of the cost of that visit will be charged to the card on file for a first occurrence. For any future occurrences, 100% of the cost of the visit scheduled will be charged to the card on file. Please understand that this is for the protection of the salon and its employees. We know the time you give us is very important but hope you understand that our time is equally valuable. An email confirmation is automatically generated 72 hours before your appointment to the email you have provided as a reminder. You are able to confirm with one click on the link provided in that email. We do our best to remind each client of their upcoming visit, however, clients are ultimately responsible for the appointments they set up. Thank you for your understanding and we look forward to providing you with a fantastic experience.
